*Shade Structure in Stanthorpe Plaza.*

NetPro Pty Ltd is a Queensland based company, specialising in the design and construction of Protective Canopy Systems. The company has been established for well over a decade and has designed many specialized structures to suit customer requirements. These include hail protection, permanent pest protection, wind and sports barriers, dam covers and various shade structures.

A number of attributes set NetPro apart:

- ⚙ Extensive research and development at our head-quarters in Stanthorpe, Qld;
- ⚙ Our one-on-one engagement with the client to understand requirements and to create a user-friendly structure;
- ⚙ Staff field expertise ; and
- ⚙ Pride in our workmanship (12-month warranty) and up to 10 years' guarantee on materials.

*Waste Transfer Stations.*

Our products and designs have many community applications and numerous service-based clients have consulted with us, including clubs, schools, councils, zoos and other groups with sites open to the public. In 2007, NetPro was awarded a Certificate of Environmental Responsibility by Astron.

*Domestic Shade structure.*
